

2012 Clery-Category Supplemental Crime Statistics

Because Occidental is a residential campus in an urban environment, and because many students either live or spend time in the neighborhoods immediately adjacent to campus, it's important for the College community to have access to crime statistics for this area. As a supplement to its official Clery Report, Occidental provides an annual report for Clery-category crimes within the boundaries of the Campus Safety Department's Escort Program – Eagle Rock Boulevard to the west of campus, Las Colinas Avenue to the north, Avenue 50 to the east, and York Boulevard to the South.
