Critical Making Studio Producer

Library

Spring 2024

Duties/Responsibilities:

Critical Making Studio Producers (CMSPs) are primarily responsible for managing the Critical Making Studio’s (CMS’s) space, equipment, and services. In addition to general upkeep, CMSPs provide support for events and workshops hosted in the CMS.

Qualifications:

- Experience or avid interest in learning one or more of the following: 3-D Printing/modeling, audio recording, Adobe suite, sewing, crafting, button making, and technology
- Desire to teach and learn collaboratively with other students. Approachable, sociable, and patient, especially with different kinds of learners.
- Curiosity to learn skills and subjects outside of one’s comfort zone
- Self-motivated and self-directed learner
- Punctuality, dependability, and ability to follow through with tasks
- Strong communication skills
- Ability to maintain and exist in a space that honors differences in gender, race, ethnicity, sexuality, class, religion, language access, mental, and physical ability
- Students of any class year are welcome to apply
