

Lifeguard *Athletics*

Summer 2026

Duties/Responsibilities:

- Under general supervision, will work as a Certified Lifeguard to supervise the safety of recreational swimmers and athletes during open swim hours and other college programs and/or external rentals.
- Pool supervision including enforcement of policies
- Perform rescue duties, as necessary
- General cleaning and pool equipment setup, especially at the end of a shift.
- Adjust pool set-up, as needed (putting in and/or taking our lane lines, moving flags, moving starting blocks, etc.)
- Other duties as assigned

Qualifications:

- Must wear at least one (1) red lifeguard uniform item for every shift. (At least two (2) lifeguard uniform items will be provided per academic year.)
- Must be able to lift 50 pounds of athletic and pool equipment in/around the pool area.
- Must be able to work effectively with the campus community & community members.
- Must possess the following certifications or be able to obtain them before employment begins and maintain them throughout the course of employment:
 - Current Lifeguard Training and Community First Aid Certification
 - Current CPR for the Professional Rescuer Certification
 - Current AED Certification
- Previous experience working in a public or school swimming pool as a lifeguard is a plus.
