

# Environmental Health and Justice Research Assistant

## *Urban & Environmental Policy*

---

AY 2023-24

### **Duties/Responsibilities:**

Prof. Shamasunder's team is looking for environmental health & justice students interested in the following:

- Energy justice, fossil fuel infrastructure, decommissioning. Preference is for students who are interested in engaging on technical aspects of the energy transition and/or students who have interest/experience in qualitative data collection and analysis. Preference is for students who have taken a methods course or learned some initial data analysis.
- Beauty justice. We are interested in students who want to support ongoing efforts with community partners to address chemical exposures through the use of beauty products among women of color. Preference for students who have considered/have taken courses that consider/address structural racism or environmental justice.

### **Qualifications:**

Student must have knowledge and experience using zotero. Student must also be able to parse through basic scientific and social scientific research on environmental health and have good writing skills.

**Start date:** ASAP

**End date:** 5/11/2024

**Work Schedule:** Flexible

**Hours Per Week:** 8-10

**Starting pay rate:** \$16.78

**Work Award:** Yes
