- Meet with NPP Staff on a monthly basis.
- Virtually attend and work collaboratively with staff to support students **(Monday, Wednesday, Thursday, 6:00 – 7:30pm PST; Tuesday afternoon/evening shift available)**
- Available to work Saturdays in person. **(10am – 2pm PST)**
- Complete and submit Tutor Logs, Sign-in Sheets, and Timecards on a weekly basis.
- Mentor and provide academic peer support to students, and review education plans
- Attend planning meetings, training, and curriculum development meetings with NPP staff and other Tutors.

Position Requirements/Preferences:

- Experience working with and building space with high school students, including low-income students, first-generation college students, BIPOC students, etc.
- Comfortable tutoring students in various High School subjects with an emphasis on STEM (Science, Technology, Engineering, Arts and Mathematics) & English.
- Ability to take initiative, work both independently and on a team to meet goals
- Students who have previously worked with NPP, or other educational programs, are highly encouraged to apply
