OVERNIGHT VISIT CONSENT FORM

Please print and retain the first page. Complete the second page with your parent/guardian and return it to the Office of Admission via fax to (323) 341-4875, or scan and email to overnightvisits@oxy.edu at least 24 hours before your visit.

Thank you for your interest in Occidental! Overnight visits are an excellent opportunity for you to learn more about life at Oxy. We urge you to live, learn, eat, and sleep—just like an Oxy student—and we hope you leave with a better understanding of Oxy's residential college experience.

As a guest, Oxy requires that you assume the same responsibility for your own actions that Oxy students have assumed. Please read the following statement and sign your name to indicate that you understand the statement. If you do not understand the statement or how it applies to you, please ask a member of the Office of Admission staff to explain it before you sign.

Visitation Agreement
I am aware that although Occidental College has agreed to host me overnight—which may include transportation to and from campus—neither the Office of Admission nor any other office or personnel of Occidental College will be supervising me at all times during my stay on campus. Visiting students, like enrolled students, are responsible for their behavior as adults within the expectations described below.

I am aware that participants in on-campus visitation programs are required to abide by California state law and the Code of Student Conduct which governs students enrolled at Occidental College: http://www.oxy.edu/student-handbook/code-student-conduct. I acknowledge that California law prohibits all use of illegal drugs and prohibits the drinking of alcoholic beverages by persons under 21 years of age.

Further, I understand that any negative behavior during my campus stay will be considered by the Office of Admission. Any violation of the rules stated above or any damage to Occidental College property may impact my application to Oxy.
