WHAT’S NEW AT OXY

OXY ARTS ON YORK
Oxy opened a new Oxy Arts Building on York Boulevard, which serves as a public space to bring together members of the campus community, the Northeast Los Angeles community, and local and regional artists through socially conscious dialogue and engagement.

NEW POOL & TENNIS COURTS
Oxy’s new pool and tennis courts are scheduled for completion in Fall 2019. With this new 58,000-square-foot sports complex, Oxy’s swimming, diving, water polo and tennis teams will be able to train and compete in facilities that meet NCAA and conference standards.

FIVE HIGHLIGHTS

OXY WAS NAMED #3 BEST LIBERAL ARTS COLLEGE for food in the nation by The Daily Meal. Out of a sample of more than 2,000 colleges and universities nationwide, Oxy was ranked No. 22 overall.

BILLY RD HAS JUST NAMED OXY’S MUSIC DEPARTMENT as one of the country’s top 20 music programs. Oxy is the first liberal arts college to make the list, which also includes USC, UCLA and NYU.

OXY’S CHAPTER OF ACTIVE MINDS WAS AWARDED THE 2019 BEST CHAPTER AWARD at the mental health advocacy group’s national conference in Washington, D.C.

RENOVATIONS FOR THE NEW ANDERSON CENTER FOR ENVIRONMENTAL SCIENCES (ACES) and the Robert T. Moore Lab of Zoology are underway. ACES will bring together Oxy’s unique location at the nexus of three distinctive ecosystems: the Pacific Ocean, the San Gabriel Mountains, and the Mojave Desert.

FOR THE FOURTEENTH CONSECUTIVE YEAR, OCCIDENTAL IS ONE OF THE COUNTRY’S TOP PRODUCERS OF STUDENT FULBRIGHT AWARD WINNERS, according to the Chronicle of Higher Education. The nine Oxy students and alumni awarded Fulbrights in 2018 are among the 108 Tigers who have won since 2003.
