WHAT’S NEW AT OXY

COMPUTER SCIENCE

This fall, Oxy launched a computer science major. The new program has a unique interdisciplinary focus, encouraging students to explore connections between technology and other disciplines, as computers increasingly inform fields as diverse as music and medicine, national policy and international trade.

STUDENT-FOCUSED LEADERS

Oxy welcomed two new senior leaders this year who are focused on the student and academic experience. Rob Flot, dean of students, and Wendy Sternberg, dean of the College, will continue Oxy’s commitment to student success.

FINANCIAL AID

100% OF DEMONSTRATED NEED IS MET

For all students applying for need based aid, Occidental requires both the FAFSA and the CSS Profile. For the 2017-18 year Financial aid applications must be submitted by the appropriate application deadline.

COST OF ATTENDANCE

TUITION AND FEES: $52,838

ROOM AND BOARD: $14,968

HIGHLIGHTS

1. This summer, 114 Oxy students participated in our Undergraduate Research Center’s summer research program, supported by 59 faculty mentors from 23 academic departments.

2. Construction has begun on new athletic facilities. A state-of-the-art pool with a diving well, in addition to new tennis courts, will be on campus soon.

3. Six Oxy students and alumni were awarded prestigious National Science Foundation Graduate Research fellowships this year, tying the record set two years ago.

4. Oxy is among the top 10 liberal arts colleges producing student Fulbright Scholars.
