Please submit with your application a portfolio of 2 academic essays (a total of 5-7 pages). Please discuss your interest in being a writing adviser with the professor who can best attest to your qualifications.

By submitting this application, you grant us the right to access your academic record and will need to sign a waiver to that effect before being hired.

Recommendation needed: Please discuss your qualifications with a professor who will write a short paragraph describing the quality of your writing, your communication and interpersonal skills, and your ability to work in one-on-one and small group settings. **If the professor prefers**, he/she may email the recommendation to Professor Burkdall (tlburk@oxy.edu) or Professor Prebel (jprebel@oxy.edu). If a professor has suggested you to us as a candidate, you need not provide a recommendation.
