The Hameetman Career Center (HCC) must approve all internships for enrollment into a selected INT course. All students enrolled in an internship course, whether for two-units or zero-units, must participate in a final reflective and evaluative component with the HCC. Students are required to have sophomore or higher class year status and can only be registered for one internship course per semester. Students must have a cumulative GPA of 2.00 or better at the time of application. A letter grade is not issued, only CR/NC grade will be given for INT course.

The HCC, the faculty supervisor (two-unit only), the on-site internship supervisor, and the student should mutually agree upon the objectives and responsibilities outlined in this document. To register, this form must be completed and submitted to the HCC along with the Student Waiver of Liability and Assumption of Risk prior to the start of the internship and no later than the deadline. The student must complete at least 80 hours over the course of the semester in the internship. A new Student Learning Agreement is mandatory each semester even if the site remains the same.
