Your 2016-2017 financial aid application was late. There is always a high demand for our limited financial aid funds and you jeopardized receiving financial assistance.

The deadline to submit the FAFSA, Parent Supplement, Student Supplement and all supporting documents is March 2, 2017. If there is any reason you cannot meet this deadline, you must contact the Financial Aid Office before March 2, 2017.

It is important that all returning students apply for financial aid for the new academic year by the established deadlines. These deadlines allow the Financial Aid Office to have sufficient time to analyze and award students for the new year and to project the use of institutional scholarships. They also allow us to know how much money we have available to meet the needs of families as their financial circumstances change. Occidental College cannot guarantee need-based grants and scholarships to students who miss these important deadlines.

Failure to meet the established deadlines for 2017-2018 will result in the loss of all institutional aid.
