*****When searching for a job, complete the steps below in order*****

Step 1: Check Available Jobs

Student employment positions are posted & updated on the Student Employment Website at <http://www.oxy.edu/human-resources/student-employment#jobs>. Some positions will be posted on the bulletin board outside the Financial Aid Office.

Step 2: Apply for the Position

Download and complete the updated student employment application from the website and submit the application to the department(s) where you wish to work. A separate application is required for each position in which you apply and some departments may require a supplemental departmental application.

Step 3: Complete Employment Forms

As part of the “New Hire Packet” you will need to complete an **I-9** and tax forms in the Human Resources Department if you have never worked on campus.

The **I-9** form requires that you provide appropriate documentation to prove your identity & eligibility to work in the United States. You will be asked to present **ORIGINAL** documents via email or you may schedule a virtual meeting with an HR representative.

For a complete list of acceptable documents, please visit our Student Employment website at <http://www.oxy.edu/human-resources/student-employment> and refer to the I-9 form.

Step 4: Completion of Timesheets

It is the responsibility of the student to submit their timesheets online according to the payroll schedule listed on the student employment website. Submission of late timesheets may result in delayed payment.

TIMEKEEPING GUIDELINES

Per Wage and Hour law employees must be in compliance with the following areas:

Rest and Meal Periods

- All hourly student workers who work an eight-hour shift are allowed two 15-minute rest periods per shift, one within each four-hour period of work. These breaks may not be combined or added to any employee’s meal period, or be used to cover late arrivals or early departures. Rest periods are provided on College-paid time.
- Unpaid meal periods from 30 to 60 minutes are provided for each non-exempt employee who works over five hours in one shift. The meal period must not be taken more than five hours after the beginning of the employee’s shift. Non-exempt employees are required to record the beginning and end of their meal periods on their time sheets or Kronos record.

Timekeeping Records

- Consequently, employees must record the time they begin and end work each day, the beginning and end of each meal period, and the beginning and end of any split shift or call back assignment.
- College policy requires that the actual hours worked for each day of the week are recorded, and that the employee submits the time sheet.
- In order to comply with audit regulations, time sheets must be submitted by the employee and be approved by the supervisors no later than 12:00 p.m. on the Monday following the close of the biweekly pay period.

Overtime

- We do not recommend that students work overtime hours. Overtime is incurred when an employee works more than 8 hours in a workday and 40 hours in a workweek.
