

Cataloging Student Assistant

Library – Technical Services

Summer 2022

Duties/Responsibilities:

Main duties are to process newly acquired library material (books, journals, videos, scores, and other formats) ready for circulation: Prepare and apply spine labels, property stamp, and encase as necessary. Verify work before releasing material to Circulation. Assist with regular database maintenance workflows, such as withdrawing out of date or damaged material and preparing monthly bindery shipments. Assist with other database maintenance special projects as assigned.

Qualifications:

Demonstrated ability to meet deadlines, follow instructions exactly, remember details, and work accurately and independently. Attention to detail is a must!

Start date: May 15, 2022

End date: August 20, 2022

Work Schedule: Monday – Friday, 9:00am – 5:00pm

Hours Per Week: 20-40

Starting pay rate: \$15.00
