

Emmons Student Health Worker

Emmons Wellness Center

Fall & Spring 2022-2023

Duties/Responsibilities:

Student Health Workers are responsible for developing and initiating Emmons Wellness Center programs and providing support for maintaining the office.

Duties include:

- Creating and implementing co-curricular training and educational programs that explore physical and mental health issues affecting Oxy college students.
- Creating and maintaining social media content, flyers, and informational materials that promote Emmons events and programming, as well as other events across campus.
- Organizing and supporting Emmons events
- Collaborating with other clubs and departments (i.e. Active Minds, Project S.A.F.E., and ICC)
- Collaborating with direct supervisor and other Emmons staff members
- Participating in weekly meetings; 1:1 meetings as needed
- Serving the Occidental community as a proactive and responsible ethical leader.

Qualifications:

Applicants should effectively showcase following qualities:

- Interest in health and wellness issues, ethics, social justice, and responsible community engagement
- Programming skills including organization, initiative, efficiency, creativity, and a working understanding of the campus environment.
- Effective in communicating and building relationships with people from diverse backgrounds, group affiliations, and world-views
- Strong work ethic
- Leadership and public speaking skills
- Good academic standing: 2.5 GPA Required, 3.0 GPA Preferred
- 1-year commitment

Start date: 9/5/22

End date: 5/20/23

Work Schedule: Flexible/variable

Hours Per Week: 2-8

Starting pay rate: \$16.04
