

OXY'S OWN DINING SERVICE

Occidental College is proud to have a **self-operated dining service.**

Our primary strength lies in the dedication and skills of staff members. We foster a workplace conducive to excellence by providing a living wage, generous benefits, reasonable work schedules, opportunities for development and a supportive work environment. Unlike many other schools where big corporations operate the food service, meals at Oxy are prepared by our community with our community in mind.

We are active proponents of Occidental's mission and its focus on educating the whole student.

We believe the food our students eat and the atmosphere in which they eat it are crucial components of this education. Serving the entire campus community, our goal is to connect individuals and groups over the common bond of dining together.
