Does Your Spending Pattern Match Your Meal Plan?

All Meal Plans receive a 50% discount off posted prices in the dining facilities.

Spring meal plans are valid January 15, 2022 through May 14, 2022 (17 weeks)

Senior week is not listed, but those staying on Campus the week of May 8 can spend less per week, take spring break away from Campus, or add dollars later.

Meal Plans are set up with a pre-set vending balance. If you run out of meal plan money, any remaining vending funds may be spent in the dining facilities, earning the 50% discount.

Meal plan additions may be made through

EXAMPLES

Sophomore arriving 1/24, spent an average of \$118 per week in the fall. They were on A in the fall (orange chart), but B would probably work for spring (pink chart)

Senior arriving 2/2, spent an average of \$86 per week in the fall. They were on C in the fall (orange chart) but D might work for spring (yellow chart).
