Greetings UB Students:
Happy Saturday!

I hope you all had a great week and are ready for a productive Saturday Session.

Seniors: You will be continuing your SAT boot camp with Tried and True Tutoring. Remember to take full advantage of this course as you prepare to take the October SAT. Now is the time to do your best so you can apply to various colleges and universities. Also, remember to set up appointments with Jessy to work on finalizing your college application list.

Juniors: It’s time to start looking at your college options and find a right fit for your academic and social needs. As you start your college search process, a few things to keep in mind:
- School Size
- Academic Programs you are interested in
- Distance from home
- Cost of school/financial aid
- Student/Social atmosphere of the school

Sophomores: You will continue to work on your academic plan. Remember that it’s important to take courses that meet the A-G requirements. You also need to make sure you are getting good grades in all your courses.

This past week I have been thinking about the importance of making the right choices. Every day we make choices that will impact our lives. You all made the choice to join the Upward Bound program because you wanted to be prepared to go to and succeed in college. It’s important that you continue to actively participate in the program and take advantage of all the services we offer. If you are reading this, you made the decision to come spend your Saturday morning preparing for your future. I know this is a choice you will not regret!

Good Morning Seniors!!

Thank you for being here this morning and a special THANKS for your patience these last few weeks. We have been super busy with trainings and conferences this semester. Fall is always a busy time for college counselors AND Seniors as well... But Johny and I are here and ready to be of assistance.

I will be taking appointments on Tuesday, September 20th. Please keep an eye out for emails containing the advisement schedules.

Reminder: I will be out of the office on Wednesday, September 21st, due to a College Board Conference. I will return on Thursday 9/22.

THE MORE YOU KNOW: As of October 1st, the on line applications for admission to the University of California (UC) and the California State University (CSU) will be updated & available for you to complete.

Workshop sessions in October are scheduled for the 8th, 15th, and the 29th. We will be providing you the best assistance possible in order to complete and successfully submit your college applications by the November 30th deadline.

Some seniors have already begun working on Privates, CSU's and UC admission applications. That's GREAT! Again, a reminder that you should only work and complete one application first. Do not begin work on a second college application until the first one is completed and ready for submission. This process will save you a lot of unnecessary work on applications for other campuses.

Tried and True Tutoring is here for session #2 of our SAT Boot Camp. Thank you for your cooperation and participation in last weeks session. I hope you bring the same energy and enthusiasm this week. Our final SAT Boot Camp session will be 9/24 and by then, you should be good to take the SAT exam on 10/1.

Have a great session!! Keep on keep ing on!! #TRiOWorks #StraightOuttaUpwardBound

---

Good morning y’all! How’s everyone doing? You’ve been in school for basically a month, and that means progress reports cards will be out soon. Although it’s early, it’s not a good idea to fall behind and play catch up!

Today, let’s welcome back Ms. Hope who will lead the math prep sessions for the Fall. She will focus on getting you prepared for the PSAT, that’s coming up in October. The PSAT examines you on your English, Writing, and Math skills. Also, it’s a good indicator on how you will do on the SAT. In addition, the staff have prepared workshops for today as well. Gio and Ashley will present on Building an Academic Plan and Xochitl will be doing a presentation on College Research.

Reminder, I am taking appointments for Tuesday in the office. Students who miss Saturday Sessions should be making an appointment to catch on what you missed. Juniors, weekly emails continue to go out and I encourage everyone to be asking questions, replying back, and taking advantage of setting up appointments.

OUTTIE5K!

---

Good morning everyone!!

Today is the first parent institute of the semester! I will be talking to your parents about what they can expect in the coming months of this academic year so they can be better prepared to send you off to college. I’ll be around so feel free to say hi if you see me. Hope you all have a fabulous Saturday!

- Leo
