Greetings students:

It’s a busy time of the year. The UB office is in recruitment mode and of course we are working on the new grant proposal.

Seniors: Application season is upon us. I know that you are working hard to complete your CSU applications now and will be ready to file your UC applications starting November 1. Remember it is important to keep on top of deadlines so you do not miss your college’s filing period. Remember that most college will not look at SAT scores that are taken after the December test. Hopefully most of you took the test this month or are planning on taking in early November. In addition to your applications, you will also need to submit your FAFSA earlier.

Juniors and Sophomores will continue to work with Ms. Hope on Math prep.

Juniors: you will be working with Xochitl on Major and Careers. As you start your college search is important to think about majors offered by colleges and universities and how they might impact your future career plans.

Sophomores: you will work with Ashley and Gio on preparing for the PSAT. “Not only does the PSAT help prepare students to take the SAT or ACT, the great thing about the PSAT is that a high score can also open the door to National Merit Scholarships and other awards. With $180 million dollars in scholarships awarded to students who achieve high scores on the PSAT, how you perform on this exam can help you earn scholarship dollars that change the direction of your college planning.” It is important that you are prepared for PSAT and that you take this test seriously.

Hope you all have a great Saturday Session.

It’s Johnny!

Hey Seniors!

What’s good! I hope you all are excited to be working on college applications as much as I am! Today we are going to finish off creating Federal Student Aid accounts. Remember, get a copy of your parents’ SSN so you can create a Federal Student Aid Pin for your parents. Start collecting 2014 tax information from your parents because we want you all to sign up for early FAFSA as soon as possible. We have a copy of your transcripts, so if you have not finished yet, let’s finish inputting your grades on CSU mentor! Just a reminder, please start asking teachers or counselors for letters of recommendation, do not be irresponsible and wait until the last minute, you all have deadlines to meet! Start finalizing your personal insight questions, I have only corrected the ones that have been emailed to me or given to me by Jessy. I will also be accepting more personal insight questions via email so please share them with me through google docs so you all can see the corrections I am making. Remember next Saturday this no session, so let’s try to get as much done today as possible! Continue to stop by the office throughout the week, utilize your resources!

- Johnny

Gio’s Spot

Welcome to Saturday Session Number 7!

First and foremost I would like to thank the UB family for showing up every Saturday session, it shows your commitment and dedication to the program and the staff greatly appreciate it. This Saturday is the last math prep session with Ms. Hope and 10th and 11th graders will review on math skills.

Announcement: the PSAT is on Wednesday October 19, 2016. Those who are taking the PSAT remember to practice and review on your math and English skills. Good Luck to you all!

Reminder that next Saturday is the last session to pick up check, if you do not pick your check up it will be forfeited. Also, appointments for Tuesday’s can be made by contacting the UB office. It is important when contacting the UB office for any excused absences you must leave your full name and reason of absence.

Keep up the positive vibes and enjoy the virtues of life. Always remember to attend Saturday sessions!

There is no Saturday session on the October 22, 2016. Enjoy!

Leo’s Lane

Good morning everyone!

It’s Parent Institute Session number two today! I’m going to be talking with them about the FAFSA, scholarships and Grants. They need to be just as informed as you all are when it comes to paying for college. Hopefully with this session, they’ll be able to find some scholarships and grants to tell you all about!

Hope you enjoy your Saturday!

- Leo
