Checklist: Please verify that each of the following are attached to this application or in process:

Student’s Proposal
Personal Statement
Human Subjects Review needed?
Laboratory Animal Review needed?
Mentor’s Letter of Support specifying their role in mentoring you on this project.

Submit proposals to the Undergraduate Research Center, Library/Academic Commons, Main floor, old wing: Room 253A (entrance through the Cumberland Reading Room) before 4 pm, February 12, 2015.

Please remember to print single-sided and do not staple your application.

Please note: To ensure the success of this program and in keeping with its objectives, independent projects with remote faculty supervision will not be supported. Likewise, applicants who will be unable to participate in the research program for ten weeks, including the period from mid-June to early August, will not be funded. Fellows are expected to work full time on their research and they are not permitted to hold other jobs during the fellowship period. Fellows are expected to submit an abstract to the URC webpage, participate in the assessment project, present their results at the end of summer Research Conference and, if appropriate, at the fall SCCUR conference.
