

Faculty Recommendation of Students for Science Scholars

It is important for the Science Scholars Selection Committee to understand the mentor's view of the student and the project. In addition to the check boxes, please add comments in the space provided below, or e-mail a letter of support that more fully explains your thoughts on the student's readiness to do the proposed work, likely impact on her/his educational development, and degree of your commitment to serving as her/his mentor.

Complete the fillable form and e-mail it to urc@oxy.edu
