1 Evidence of Coverage (EOC):

The Evidence of Coverage (EOC) describes the Benefits, limitations, and exclusions that apply to coverage under this Plan. Please review the EOC for more details of coverage outlined in this Summary of Benefits. You can request a copy of the EOC at any time.

Capitalized terms are defined in the EOC. Refer to the EOC for an explanation of the terms used in this Summary of Benefits.

Notes

2 Calendar Year Deductible (CYD):

Calendar Year Deductible explained. A Deductible is the amount you pay each Calendar Year before Blue Shield pays for Covered Services under the Plan.

If this Plan has any Calendar Year Deductible(s), Covered Services subject to that Deductible are identified with a check mark (✔) in the Benefits chart above.

3 Using Participating Providers:

Participating Providers have a contract to provide health care services to Members. When you receive Covered Services from a Participating Provider, you are only responsible for the Copayment or Coinsurance, once any Calendar Year Deductible has been met.

Teladoc. Teladoc mental health and substance use disorder (behavioral health) consultations are provided through Teladoc. These services are not administered by Blue Shield's Mental Health Service Administrator (MHSA).

4 Calendar Year Out-of-Pocket Maximum (OOPM):

Calendar Year Out-of-Pocket Maximum explained. The Out-of-Pocket Maximum is the most you are required to pay for Covered Services in a Calendar Year. Once you reach your Out-of-Pocket Maximum, Blue Shield will pay 100% of the Allowable Amount for Covered Services for the rest of the Calendar Year.

Your payment after you reach the Calendar Year OOPM. You will continue to pay all charges for services that are not covered, charges above the Allowable Amount, and charges for services above any Benefit maximum.

Family coverage has an individual OOPM within the Family OOPM. This means that the OOPM will be met for an individual with Family coverage who meets the individual OOPM prior to the Family meeting the Family OOPM within a Calendar Year.

5 Separate Member Payments When Multiple Covered Services are Received:

Each time you receive multiple Covered Services, you might have separate payments (Copayment or Coinsurance) for each service. When this happens, you may be responsible for multiple Copayments or Coinsurance. For example, you may owe an office visit Copayment in addition to an allergy serum Copayment when you visit the doctor for an allergy shot.

6 Preventive Health Services:

If you only receive Preventive Health Services during a Physician office visit, there is no Copayment or Coinsurance for the visit. If you receive both Preventive Health Services and other Covered Services during the Physician office visit, you may have a Copayment or Coinsurance for the visit.

Plans may be modified to ensure compliance with State and Federal requirements.

1 Calendar Year Pharmacy Deductible (CYPD):

Calendar Year Pharmacy Deductible explained. A Calendar Year Pharmacy Deductible is the amount you pay each Calendar Year before Blue Shield pays for outpatient prescription Drugs under this Benefit.

If this Benefit has a Calendar Year Pharmacy Deductible, outpatient prescription Drugs subject to the Deductible are identified with a check mark (✔) in the Benefits chart above.

Any applicable Copayment, Coinsurance and CYPD you pay counts towards the Calendar Year Out-of-Pocket Maximum.

Outpatient prescription Drugs not subject to the Calendar Year Pharmacy Deductible. Some outpatient prescription Drugs received from Participating Pharmacies are paid by Blue Shield before you meet any Calendar Year Pharmacy Deductible. These outpatient prescription Drugs do not have a check mark (✔) next to them in the "CYPD applies" column in the Prescription Drug Benefits chart above.

2 Using Participating Pharmacies:

Participating Pharmacies have a contract to provide outpatient prescription Drugs to Members. When you obtain covered prescription Drugs from a Participating Pharmacy, you are only responsible for the Copayment or Coinsurance, once any Calendar Year Pharmacy Deductible has been met.

Participating Pharmacies and Drug Formulary. You can find a Participating Pharmacy and the Drug Formulary by visiting www.blueshieldca.com/wellness/drugs/formulary#heading2.

Non-Participating Pharmacies. Drugs from Non-Participating Pharmacies are not covered except in emergency situations.

3 Outpatient Prescription Drug Coverage:

Medicare Part D-creditable coverage-

This prescription Drug coverage is on average equivalent to or better than the standard benefit set by the federal government for Medicare Part D (also called creditable coverage). Because this prescription Drug coverage is creditable, you do not have to enroll in Medicare Part D while you maintain this coverage; however, you should be aware that if you do not enroll in Medicare Part D within 63 days following termination of this coverage, you could be subject to Medicare Part D premium penalties.

4 Outpatient Prescription Drug Coverage:

Brand Drug coverage when a Generic Drug is available. If you select a Brand Drug when a Generic Drug equivalent is available, you are responsible for the difference between the cost to Blue Shield for the Brand Drug and its Generic Drug equivalent plus the Tier 1 Copayment or Coinsurance. This difference in cost will not count towards any Calendar Year Pharmacy Deductible, medical Deductible, or the Calendar Year Out-of-Pocket Maximum. If your Physician or Health Care Provider prescribes a Brand Drug and indicates that a Generic Drug equivalent should not be substituted, you pay your applicable tier Copayment or Coinsurance. If your Physician or Health Care Provider does not indicate that a Generic Drug equivalent should not be substituted, you may request a Medical Necessity Review. If approved, the Brand Drug will be covered at the applicable Drug tier Copayment or Coinsurance.

Short-Cycle Specialty Drug program. This program allows initial prescriptions for select Specialty Drugs to be filled for a 15-day supply with your approval. When this occurs, the Copayment or Coinsurance will be pro-rated.

Specialty Drugs. Specialty Drugs are only available from a Network Specialty Pharmacy, up to a 30-day supply.

Benefit designs may be modified to ensure compliance with State and Federal requirements.

Prior Authorization

The following are some frequently-utilized Benefits that require prior authorization:

- Radiological and nuclear imaging services
- Outpatient mental health services, except office visits
- Inpatient facility services
- Hospice program services

Please review the Evidence of Coverage for more about Benefits that require prior authorization.

Notes

1 Evidence of Coverage (EOC):

The Evidence of Coverage (EOC) describes the Benefits, limitations, and exclusions that apply to coverage under this Plan. Please review the EOC for more details of coverage outlined in this Summary of Benefits. You can request a copy of the EOC at any time.

Capitalized terms are defined in the EOC. Refer to the EOC for an explanation of the terms used in this Summary of Benefits.

2 Calendar Year Deductible (CYD):

Calendar Year Deductible explained. A Deductible is the amount you pay each Calendar Year before Blue Shield pays for Covered Services under the Plan.

If this Plan has any Calendar Year Deductible(s), Covered Services subject to that Deductible are identified with a check mark (✔) in the Benefits chart above.

Covered Services not subject to the Calendar Year medical Deductible. Some Covered Services received from Participating Providers are paid by Blue Shield before you meet any Calendar Year medical Deductible. These Covered Services do not have a check mark (✔) next to them in the "CYD applies" column in the Benefits chart above.

Family coverage has an individual Deductible within the Family Deductible. This means that the Deductible will be met for an individual with Family coverage who meets the individual Deductible prior to the Family meeting the Family Deductible within a Calendar Year.

3 Using Participating Providers:

Participating Providers have a contract to provide health care services to Members. When you receive Covered Services from a Participating Provider, you are only responsible for the Copayment or Coinsurance, once any Calendar Year Deductible has been met.

Teladoc. Teladoc mental health and substance use disorder (behavioral health) consultations are provided through Teladoc. These services are not administered by Blue Shield's Mental Health Service Administrator (MHSA).

"Allowable Amount" is defined in the EOC. In addition:

- Coinsurance is calculated from the Allowable Amount or Benefit maximum, whichever is less.

Notes

4 Using Non-Participating Providers:

Non-Participating Providers do not have a contract to provide health care services to Members. When you receive Covered Services from a Non-Participating Provider, you are responsible for:

- the Copayment or Coinsurance (once any Calendar Year Deductible has been met), and
- any charges above the Allowable Amount, or
- any charges above the stated dollar amount, which is the Benefit maximum.

"Allowable Amount" is defined in the EOC. In addition:

- Coinsurance is calculated from the Allowable Amount or Benefit maximum, whichever is less.
- Charges above the Allowable Amount or Benefit maximum do not count towards the Out-of-Pocket Maximum, and are your responsibility for payment to the provider. This out-of-pocket expense can be significant.

5 Calendar Year Out-of-Pocket Maximum (OOPM):

Calendar Year Out-of-Pocket Maximum explained. The Out-of-Pocket Maximum is the most you are required to pay for Covered Services in a Calendar Year. Once you reach your Out-of-Pocket Maximum, Blue Shield will pay 100% of the Allowable Amount for Covered Services for the rest of the Calendar Year.

Your payment after you reach the Calendar Year OOPM. You will continue to pay all charges for services that are not covered, charges above the Allowable Amount, and charges for services above any Benefit maximum.

Any Deductibles count towards the OOPM. Any amounts you pay that count towards the medical Calendar Year Deductible also count towards the Calendar Year Out-of-Pocket Maximum.

This Plan has a Participating Provider OOPM as well as a combined Participating Provider and Non-Participating Provider OOPM. This means that any amounts you pay towards your Participating Provider OOPM also count towards your combined Participating and Non-Participating Provider OOPM.

Family coverage has an individual OOPM within the Family OOPM. This means that the OOPM will be met for an individual with Family coverage who meets the individual OOPM prior to the Family meeting the Family OOPM within a Calendar Year.

6 Separate Member Payments When Multiple Covered Services are Received:

Each time you receive multiple Covered Services, you might have separate payments (Copayment or Coinsurance) for each service. When this happens, you may be responsible for multiple Copayments or Coinsurance. For example, you may owe an office visit Copayment in addition to an allergy serum Copayment when you visit the doctor for an allergy shot.

7 Preventive Health Services:

If you only receive Preventive Health Services during a Physician office visit, there is no Copayment or Coinsurance for the visit. If you receive both Preventive Health Services and other Covered Services during the Physician office visit, you may have a Copayment or Coinsurance for the visit.

Plans may be modified to ensure compliance with State and Federal requirements.

Notes

1 Calendar Year Pharmacy Deductible (CYPD):

Calendar Year Pharmacy Deductible explained. A Calendar Year Pharmacy Deductible is the amount you pay each Calendar Year before Blue Shield pays for outpatient prescription Drugs under this Benefit.

If this Benefit has a Calendar Year Pharmacy Deductible, outpatient prescription Drugs subject to the Deductible are identified with a check mark (✔) in the Benefits chart above.

Any applicable Copayment, Coinsurance and CYPD you pay counts towards the Calendar Year Out-of-Pocket Maximum.

Outpatient prescription Drugs not subject to the Calendar Year Pharmacy Deductible. Some outpatient prescription Drugs received from Participating Pharmacies are paid by Blue Shield before you meet any Calendar Year Pharmacy Deductible. These outpatient prescription Drugs do not have a check mark (✔) next to them in the "CYPD applies" column in the Prescription Drug Benefits chart above.

2 Using Participating Pharmacies:

Participating Pharmacies have a contract to provide outpatient prescription Drugs to Members. When you obtain covered prescription Drugs from a Participating Pharmacy, you are only responsible for the Copayment or Coinsurance, once any Calendar Year Pharmacy Deductible has been met.

Participating Pharmacies and Drug Formulary. You can find a Participating Pharmacy and the Drug Formulary by visiting www.blueshieldca.com/wellness/drugs/formulary#heading2.

3 Using Non-Participating Pharmacies:

Non-Participating Pharmacies do not have a contract to provide outpatient prescription Drugs to Members. When you obtain prescription Drugs from a Non-Participating Pharmacy, you must pay all charges for the prescription, then submit a completed claim form for reimbursement. You will be reimbursed based on the price you paid for the Drug.

4 Outpatient Prescription Drug Coverage:

Medicare Part D-creditable coverage-

This prescription Drug coverage is on average equivalent to or better than the standard benefit set by the federal government for Medicare Part D (also called creditable coverage). Because this prescription Drug coverage is creditable, you do not have to enroll in Medicare Part D while you maintain this coverage; however, you should be aware that if you do not enroll in Medicare Part D within 63 days following termination of this coverage, you could be subject to Medicare Part D premium penalties.

5 Outpatient Prescription Drug Coverage:

Brand Drug coverage when a Generic Drug is available. If you select a Brand Drug when a Generic Drug equivalent is available, you are responsible for the difference between the cost to Blue Shield for the Brand Drug and its Generic

Notes

Drug equivalent plus the Tier 1 Copayment or Coinsurance. This difference in cost will not count towards any Calendar Year Pharmacy Deductible, medical Deductible, or the Calendar Year Out-of-Pocket Maximum. If your Physician or Health Care Provider prescribes a Brand Drug and indicates that a Generic Drug equivalent should not be substituted, you pay your applicable tier Copayment or Coinsurance. If your Physician or Health Care Provider does not indicate that a Generic Drug equivalent should not be substituted, you may request a Medical Necessity Review. If approved, the Brand Drug will be covered at the applicable Drug tier Copayment or Coinsurance.

Short-Cycle Specialty Drug program. This program allows initial prescriptions for select Specialty Drugs to be filled for a 15-day supply with your approval. When this occurs, the Copayment or Coinsurance will be pro-rated.

Specialty Drugs. Specialty Drugs are only available from a Network Specialty Pharmacy, up to a 30-day supply.

Benefit designs may be modified to ensure compliance with State and Federal requirements.

Find the doctor of your choice

Blue Shield believes that finding a doctor shouldn't give you a headache. That's why blueshieldca.com features our most up-to-date listings of doctors, specialists, pharmacies, and hospitals.

Finding the latest listing of doctors, specialists, mental health providers, hospitals, dentists, vision care providers, or pharmacies is easy. Go to **blueshieldca.com** and select *Find a Doctor* from the menu. Here are some helpful shortcuts:

Special considerations for each plan type

If you are enrolling in an HMO plan

When you enroll in an HMO plan, you and your dependents must choose a primary care physician (PCP) within 15 miles or a 30-minute drive* from where you live or work. You can either search for your PCP using Blue Shield of California's *Find a Doctor* tool found at **blueshieldca.com**, or call Member Services for assistance. If you do not select a PCP when you enroll, we will assign you one. You can then change your PCP at any time. PCPs provide routine checkups, immunizations, and urgent care and refer you to specialists.

If you are enrolling in a PPO plan

As a PPO plan member, you can choose your own doctor and do not need a referral to see a specialist. Choosing a provider in the PPO networks can save you money and ensure that you receive the highest level of benefits available to you.

When you visit doctors outside the PPO network, you may be responsible for higher copayments plus any charges in excess of Blue Shield's allowed amount for the services.

If you access care outside California

PPO members who access care outside California may do so through the BlueCard® Program Network, which includes access to more than 95% of doctors and 96% of hospitals nationwide. Whenever possible, you should choose a doctor or hospital from the BlueCard network to save you money and ensure you receive the highest level of benefits available to you. When you visit doctors who are not in the BlueCard network, you may be responsible for higher copayments plus any charges in excess of Blue Shield's allowed amount for the services.

To find a BlueCard physician or hospital in the United States, go to **provider.bcbs.com** or call BlueCard Access toll-free at **(800) 810-BLUE (2583)**.

To find an international Blue Shield Global Core Network physician or hospital, go to **bcbsglobalcore.com**. You can also call the Blue Shield Global Core Service Center at **(800) 810-BLUE (2583)** from within the United States, or call collect at **(804) 673-1177** from outside the country.

* Primary care physician service areas vary by contract.

  - Report health information to public health authorities authorized by law to receive such information for the purpose of preventing or controlling disease, injury or disability, or monitoring immunizations.
  - Report child abuse or neglect, or adult abuse, including domestic violence, to a government authority authorized by law to receive such reports.
  - Report information about a product or activity that is regulated by the U.S. Food and Drug Administration (FDA) to a person responsible for the quality, safety, or effectiveness of the product or activity.
  - Alert a person who may have been exposed to a communicable disease, if we are authorized by law to give such a notice.
- **Health oversight activities.** We may disclose your PHI to:
  - A government agency that is legally responsible for oversight of the healthcare system or for ensuring compliance with the rules of government benefit programs such as Medicare or Medicaid.

  - Other regulatory programs that need health information to determine compliance.
- **Research.** We may disclose your PHI for research purposes, but only according to, and as allowed by, law.
- **Compliance with the law.** We may use and disclose your PHI to comply with the law.
- **Judicial and administrative proceedings.** We may disclose your PHI in a judicial or administrative proceeding or in response to a valid legal order.

- **Workers' compensation.** We may disclose your PHI when necessary to comply with workers' compensation laws.

Uses of PHI that require your authorization. Other than for the purposes described above, we must obtain your written authorization to use or disclose your PHI. For example, we will not use your PHI for marketing purposes without your prior written authorization, nor will we give your PHI to a prospective employer without your written authorization.

Uses and disclosure of certain PHI deemed "highly confidential." For certain kinds of PHI, federal and state law may require enhanced privacy protection. This includes PHI that is:

- Maintained in psychotherapy notes.
- About alcohol and drug abuse prevention, treatment, and referral.
- About HIV/AIDS testing, diagnosis, or treatment.
- About venereal and/or communicable disease(s).
- About genetic testing.

We can only disclose this type of specially protected PHI with your prior written authorization except when specifically permitted or required by law.

Authorization cancellation. At any time, you may cancel a written authorization that you previously gave us. When submitted to us in writing, the cancellation will apply to future uses and disclosures of your PHI. It will not affect uses or disclosures made previously, while your authorization was in effect.

Your individual rights

You have the following rights regarding the PHI that Blue Shield creates, obtains, and/or maintains about you:

- **Right to request restrictions.** You may ask us to restrict the way we use and disclose your PHI for treatment, payment, and healthcare operations, as explained in this Notice. We are not required to agree to your restriction requests, but we will consider them carefully.

  If we agree to a restriction request, we will abide by it until you request or agree to terminate the restriction. We may also inform you that we are terminating our agreement to a restriction. In that case, the termination will apply only to PHI created or received after we have informed you of the termination.

- **Right to receive confidential communications.** You may ask to receive Blue Shield communications containing PHI by alternative means or at alternative locations. As required by law, and whenever feasible, we will accommodate reasonable requests. We may require that you make your request in writing. If your request involves a minor child, we may ask you to provide legal documentation to support your request.
- **Right to access your PHI.** You may ask to inspect or to receive a copy of certain PHI that we maintain about you in a "designated record set." This includes, for example, records of enrollment, payment, claims adjudication, and case or medical management record systems, and any information we used to make decisions about you. Your request must be in writing. Whenever possible, and as required by law, we will provide you with a copy of your PHI in the form (paper or electronic) and format you request. If you request a copy of your PHI, we may charge you a reasonable, cost-based fee for preparing, copying, and/or mailing it to you. In certain limited circumstances permitted by law, we may deny you access to a portion of your records.
- **Right to amend your records.** You have the right to ask us to correct or amend the PHI that we maintain about you in a designated record set. Your request must be made in writing and explain why you want your PHI amended. If we determine that the PHI is inaccurate or incomplete, we will correct it if permitted by law. If a doctor or healthcare facility created the PHI that you want to change, you should ask them to amend the information.
- **Right to receive an accounting of disclosures.** Upon your written request, we will provide you with a list of the disclosures we have made of your PHI for a specified time period, up to six years prior to the date of your request. However, the list will exclude:
  - Disclosures you have authorized.
  - Disclosures made earlier than six years before the date of your request.
  - Disclosures made for treatment, payment, and healthcare operations purposes, except when required by law.
  - Certain other disclosures that we are allowed by law to exclude from the accounting.

  If you request an accounting more than once during any 12-month period, we will charge you a reasonable, cost-based fee for each accounting report after the first one.
- **Right to name a personal representative.** You may name another person to act as your personal representative. Your representative will be allowed access to your PHI, to communicate with the healthcare professionals and facilities providing your care, and to exercise all other HIPAA rights on your behalf. Depending on the authority you grant your representative, he or she may also have authority to make healthcare decisions for you.
- **Right to receive a paper copy of this Notice.** Upon your request, we will provide a paper copy of this Notice, even if you have agreed to receive the Notice electronically. See the "Notice Availability and Duration" section of this Notice.
