ARTS

***WE LIVE! Memories of Resistance*** is a show about memory, imagination, community, and fighting for what you believe in.

The artists created different kinds of artwork to express these ideas – photographs, videos, sculptures and more.

3D TOUR**

## REFLECTION

Pick one artwork in the show – what does it make you think of? What colors or textures do you see? What feeling does it give you?

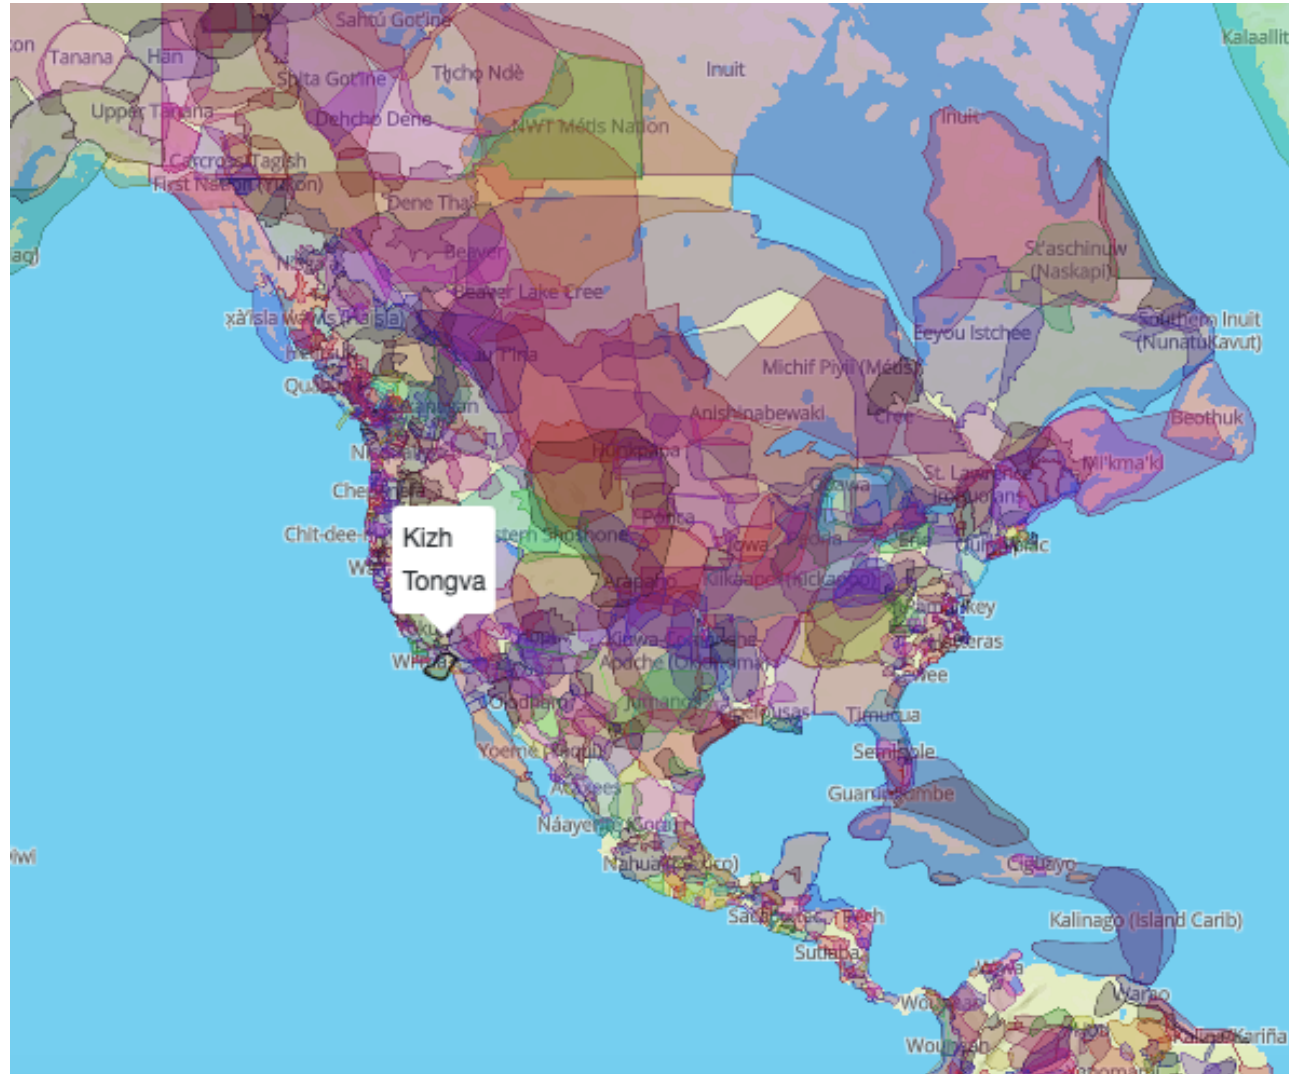

# LAND ACKNOWLEDGEMENT

# Whose land do you live on?

**Use this  
interactive map  
to look up your  
home, and the  
history of who has  
lived there before  
you**

# **FUTURE LANDSCAPES**

## **using ONE POINT PERSPECTIVE**

**Now that we know who has lived on this land before us, let's imagine our home in 50 years - what will the world look like? What kinds of plants and buildings will be there? What colors do you see?**

**Write down your answers in the box:**

A large, empty rectangular box with a light blue border, intended for writing answers.

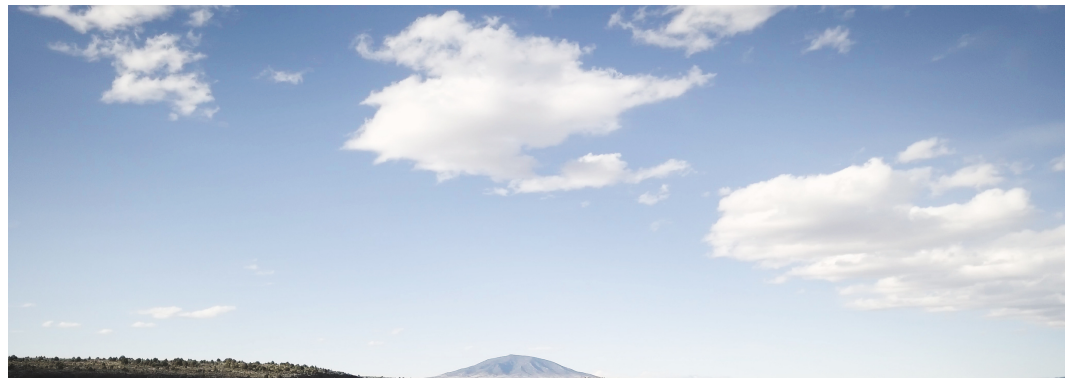

**On the next page, you are going to create your own future landscape! Follow these steps to get started:**

## STEPS

**1. Draw a line across your page horizontally - this is your horizon line**

**2. Draw two diagonal lines from the horizon line to the edge of the paper to create a road or pathway**

**3. Add in any plants, buildings or people that live in your future landscape!**

**Create your landscape here:**

Artists in this exhibition  
wrote messages in the  
sky to fight for what  
they believe in -

# SKY POEM

If you could write any message in the sky, what would you want to say?
