

MEDICARE ASSISTANCE PROGRAM

No-cost Medicare assistance is available to our employees and their family members.

We provide access to SGIA's Medicare expertise. Their unbiased and unique one-on-one approach may result in increased benefits with significant cost savings.

We are committed to providing the highest quality assistance when making important healthcare plan decisions for yourself and your family members.

Through our partnership with *Strategic Growth Insurance Associates, Inc.* (SGIA), we are able to provide access to expert Medicare guidance and services. SGIA specializes in all areas of Medicare. Which includes Part A, Part B, Part C, Part D, and supplemental plans.

SGIA's Medicare expertise is available free of charge for all your current and continuing healthcare needs. A thorough examination of Medicare options may increase benefits and reduce costs.

Medicare Services Include:

- Certified and Licensed Consultants conduct thorough individual evaluations to determine specific benefit necessities.
- Complete enrollment assistance and continued support for all your healthcare plan needs.
- The most appropriate and cost effective plan is identified through analysis of all major Medicare plans available.
- Confidential guidance at no charge.

Please contact SGIA for Medicare information,
a comprehensive evaluation and enrollment support.
